Privacy Policy

Effective date: August 1, 2026

1. Introduction

Mihayo's Safaris ("we", "us", "our") is a Tanzanian-owned tour operator based in Arusha, Tanzania. This Privacy Policy explains what personal information we collect through mihayosafaris.com and our WhatsApp/phone contact channels, why we collect it, how we use it, and the choices you have.

By using our website or contacting us to plan a trip, you agree to the practices described in this Policy.

2. Information We Collect

2.1 Information you give us directly

- Full name, email address, and phone number (via our contact / "Plan My Safari" form, WhatsApp, or newsletter sign-up)
- Trip preferences (destination, travel dates, group size, budget range, comfort level)
- Passport and health details you provide for booking purposes (e.g. park permits, Kilimanjaro climb permits, travel insurance coordination)
- Payment information (processed by our third-party payment provider — we do not store full card numbers)
- Any other details you choose to share in messages to our team or our "Mihayo AI" chat assistant

2.2 Information collected automatically

- Basic browsing data (pages visited, device/browser type, approximate location) via cookies and analytics tools
- Live weather and time-zone widget usage does not itself collect personal data — it queries public weather APIs (Open-Meteo) without sending your identity

3. How We Use Your Information

- To respond to enquiries and prepare safari, Kilimanjaro, or Zanzibar quotes
- To process bookings, deposits, and balance payments
- To coordinate with hotels, lodges, park authorities, and ground transport on your behalf
- To send you the monthly "Field Dispatch" newsletter, if you opted in
- To improve our website and services
- To comply with legal, safety, and immigration/park-permit requirements

4. Sharing of Information

We do not sell your personal information. We share it only where necessary to deliver your trip or as required by law:

- Hotels, lodges, and camps you will stay at
- Park authorities and permit offices (e.g. Kilimanjaro National Park, Ngorongoro Conservation Area Authority)

- Payment processors, for the purpose of handling deposits and balances
- Government authorities, where required by Tanzanian law

5. Data Storage and Security

Your information is stored securely and is accessible only to Mihayo's Safaris staff who need it to plan or run your trip. We retain booking records for as long as reasonably necessary for accounting, legal, and repeat-guest purposes, after which they are deleted or anonymized.

6. Cookies

Our website uses cookies to remember your preferences (such as currency and language) and to understand how visitors use the site. You can accept or decline non-essential cookies via the banner shown on your first visit, and adjust this at any time in your browser settings.

7. Your Rights

Depending on your country of residence, you may have the right to:

- Request a copy of the personal data we hold about you
- Ask us to correct inaccurate data
- Ask us to delete your data, where we are not legally required to keep it
- Unsubscribe from the Field Dispatch newsletter at any time, using the link in any email

To exercise any of these rights, contact us using the details in Section 9.

8. Children's Privacy

Our services are intended for adults booking travel, including on behalf of family members. We do not knowingly collect personal information directly from children.
